

Chasing Shadows

[Stratovarius](#)

I have been sailing across the oceans
Flying across the blue sky
Without never finding the answer
The answer to the question why
Just when you think you reach it, it's gone Chasing shadows, chasing shadows
Chasing shadows, all your life Harder you try to fix things in your life
Faster you know it's in vain
Searching for loving from strangest places
Nothing is left but the pain Chasing shadows, chasing shadows
Chasing shadows, all your life
