## **Age Of Consent (2015 Remastered Version)**

## **New Order**

Won't you please let me go?

These words lie inside they hurt me so

And I'm not the kind that likes to tell you

Just what I want to do

I'm not the kind that needs to tell you

Just what you want me to I saw you this morning

I thought that you might like to know

I received your message in full a few days ago

I understood every word that it said

And now that I've actually heard it

You're going to regretAnd I'm not the kind that likes to tell you

Just what you want me to

You're not the kind that needs to tell me

About the birds and the bees

Do you find this happens all the time?

Crucial point one day becomes a crime

And I'm not the kind that likes to tell you

Just what I want to do

And I'm not the kind that needs to tell youI've lost you

I've lost you

I've lost you

I've lost you

I've lost youI've lost you

I've lost you
