

257 Weeks

Nine Days

You could be waiting for a day that won't come
And you could be so much more than you've become
 And I have found my feet 257 weeks
But you could be waiting for a day that won't come
 You could be waiting for your life to begin
And you could be so much more than, than you've been
 And I have found my feet 257 weeks
 But you could be waiting for your life to begin
 And it's so sad you're so good and I'm so bad
But you won't see me wasting the best thing I ever had
 And it's such a shame that I can't tell you anything
 You won't hear me still you endear me now, yeah
Hard to see past the window facing forward looking back
Over years spent tracing wondering how you left your track
Underwater breathing burns your lungs and breaks your back
But you could be waiting right here for a day that won't come
 And it's so sad you're so good and I'm so bad
But you won't see me wasting the best thing I ever had
 And it's such a shame that I can't tell you anything
 You won't hear me still you endear me now, yeah
 Yeah, yeah
 You could be waiting for your life to begin
And you could be so much more than, than you've been
 And I have found my feet 257 weeks
 But you could be waiting for your life to begin
 And it's so sad you're so good and I'm so bad
But you won't see me wasting the best thing I ever had
 And it's such a shame that I can't tell you anything
 But you won't hear me still you endear me
 And it's so sad you're so good and I'm so bad
But you won't see me wasting the best thing I ever had
 And it's such a shame that I can't tell you anything
 You won't hear me still you endear me now, yeah
 Still you endear me now, yeah
 Still you endear me now
