Drown With Me

Porcupine Tree

So you have been of use
And you have been abused
You know, you look pale today
Your lipstick has gone astray
You sold out and lost your looks
You gave away all your books
(You should drown with me)
Your coil has been wound up tight
Unwind it with me tonight
(You should drown with me)
Tyre tracks fresh on the ground

Where she will be found
Held under the water
Resting there in a stream
View from the cold water
Buried in green, orange filter sky
Your drowning in family there
Where will you come up for air
(You should drown with me)
Don't feel you let 'em down
Cos they have already drowned
(You should drown with me)
