Parachute

Mealticket

I don't tell anyone about the way you hold my hand
I don't tell anyone about the things that we have planned
I won't tell anybody, won't tell anybody
They wanna push me down, they wanna see you fall down
I won't tell anybody that you turn the world around
I won't tell anyone that your voice is my favorite sound
I won't tell anybody, won't tell anybody
They wanna see us fall, they wanna see us fall down
I don't need a parachute, baby, if I've got you
Baby, if I've got you, I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
Down, down, down
Don't believe the things you tell yourself so late at night
And you are your own worst enemy, you'll never win the fight
Just hold onto me, I'll hold onto you
It's you and me up against the world, it's you and me
I don't believe anything, don't trust anyone but me
But I believe you when you say we're never gonna fall
Hand behind my neck, arm around my waist
Never let me hit the ground, you'll never let me crash
I don't need a parachute, baby, if I've got you
Baby, if I've got you, I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
Down, down, down
I don't need a parachute, baby, if I've got you
Baby, if I've got you, I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
Down, down, down
I won't fall out of love, I won't fall out of
I won't fall out of love, I won't fall out of
I won't fall out of love, I won't fall out of
I won't fall out of love, I fall into you
I won't fall out of love, I won't fall out of
I won't fall out of love, I won't fall out of
I won't fall out of love, I won't fall out of
I won't fall out of love, I fall into you
I don't need a parachute, baby, if I've got you
Baby, if I've got you, I don't need a parachute
You're gonna catch me, you're gonna catch if I fall

Down, down, down
I don't need a parachute, baby, if I've got you
Baby, if I've got you, I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
Down, down, down
I don't need a parachute, baby, if I've got you
Baby, if I've got you, I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
Down, down, down
