

# The Bard'S Song - In The Forest

## Van Canto

Now you all know the bards and their songs  
When hours have gone by, I'll close my eyes  
In a world far away we may meet again  
But now hear my song about the dawn of the night  
Let's sing the bards' song Tomorrow will take us away far from home  
No one will ever know our names but the bards' songs will remain  
Tomorrow will take it away the fear of today  
It will be gone due to our magic songs There's only one song left in my mind  
Tales of a brave man who lived far from here  
Now the bards' songs are over and it's time to leave  
No one should ask you for the name of the one  
Who tells the story Tomorrow will take us away far from home  
No one will ever know our names but the bards' songs will remain  
Tomorrow all will be known and you're not alone  
So don't be afraid of the dark and cold  
'Cause the bards' songs will remain they all will remain In my thoughts and in my dreams they're always in my  
mind  
These songs of hobbits, dwarves, and men, and elves  
Come close your eyes you can see them too
