

She Believes In Me (with Kenny Rogers)

Engelbert Humperdinck

While she lays sleeping, I stay out late at night and play my songs
And sometimes all the nights can be so long
And it's good when I finally make it home, all alone
While she lays dreaming, I try to get undressed without the light
And quietly she says how was your night?
And I come to her and say, it was all right, and I hold her tight
And she believes in me, I'll never know just what
she sees in me
I told her someday if she was my girl, I could change the world
With my little songs, I was wrong
But she has faith in me, and so I go on trying faithfully
And who knows maybe on some special night, if my song is right
I will find a way, find a way
While she lays waiting, I stumble to the kitchen for a bite
Then I see my old guitar in the night
Just waiting for me like a secret friend, and there's no end
While she lays crying, I fumble with a melody or two
And I'm torn between the things that I should do
And she says to wake her up when I am through, God her love is true.
And she believes in me, I'll never know
just what she sees in me
I told her someday if she was my girl, I could change the world
With my little songs, I was wrong
But she has faith in me, and so I go on trying faithfully
And who knows maybe on some special night, if my song is right
I will find a way, find a way
