

When She Cries

Britt Nicole

Little girl terrified
She'd leave her room
if only bruses would heal
A home is no place to hide
her heart is breaking from the pain that she feels

[Chorus]

Every days the same
she fights to find her way
She hurts she brakes
she hides and tries to pray

She wonders why
does anyone ever hear her when she cries

Today she's turning sixteen
Everyone's singing but she cant seem to smile
They never get past arms length
How could they act like everything is alright
She's putting down her long sleeves to cover all the memories that scars leave
she says "...Maybe making me bleed will be the answer that could wash the slate clean"

[chorus]

She wonders why
does anyone ever hear her when she cries

This is the dark before the dawn
the storm before the peace
don't be afraid 'cause seasons change and God is watching over you
he hears you

[chorus]

She'll be just fine
'cause I know he hears her when she cries

[chorus]

She" be just fine 'cause I know he hears her when she cries x2
