

Royal Blue (Rigopolar Remix)

[Milo Greene](#)

Royal blue, you paced
Taper jeans, weathered sleeves
This is not for me
This is not for me As you were into bed
Take the thoughts in your head
This is not for me
This is not for me I'm the spell, under eyes
Tend to ease while I sacrifice
This is not for me
No, no, not for me What I give ain't for long
Color cheeks so far gone
You are not for me
No, no, not for me Oh, wicked world
You've mistaken me for love
Take all the air out of my lungs
I was never young
I was never young Oh, wicked world
You've mistaken me for love
Take all the air out of my lungs
I was never young
I was never young
I was, I was
