# Hold Your Breath

## Amely

One minute when the car pulled up, we was on a roll
Next hour you said we can't deal, we're in danger now (damn)
That night I was wrong, I couldn't get it under control
How long I gotta hold my breath, how long I gotta hold my breath?
Next day I wondered but I wasn't sure
If I would feel this way next week when I heard no more (heard no more)
Didn't really wanna talk and stuff, but I wanted to know
Wait a minute better save my breath, cuz you're breathing on someone elseOk You got me now, you heard the news
You blocked me out, you cut me loose
I was high on your love, but you let me down
and there's no coming back to me.You can't touch me now, there's no feeling left.
If you think I'm coming back, don't hold your breath.
What you did to me, boy I can't forget.
If you think I'm coming back, don't hold your breath. (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breathIt's been a week, still mopin' around in the same old clothes
Keep tryin' to come up for air, but nowhere to go
Ever since you been on the high road, I've been feeling so low
How long I gotta hold my breath, cuz you're breathing on someone elseOk You got me now, you heard the news
You blocked me out, you cut me loose
I was high on your love, but you let me down
and there's no coming back to me.You can't touch me now, there's no feeling left.
If you think I'm coming back, don't hold your breath.
What you did to me, boy I can't forget.
If you think I'm coming back, don't hold your breath. (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breathdon't be cruel, cuz I would never be that cruel to you, so don't oh eh oh
don't be foolish, cuz if you were so good to me we wouldn't have to through this,
so don't ho- hey
don't be cruel, cuz I would never be that cruel to you, so don't oh eh oh
don't be foolish, cuz if you were so good to me we wouldn't have to through this,
so don't ho- nooYou can't touch me now, there's no feeling left.
If you think I'm coming back, don't hold your breath.
What you did to me, boy I can't forget.

If you think I'm coming back, don't hold your breath. (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath (what ya say, what ya say?)
don't hold your breath
