

# Hat And Feet

## Fountains Of Wayne

I'm just a hat and feet,  
That's all that's left of me,  
A spot on the sidewalk, a mark on the street,  
I'm just a hat, and feet,

I'm just a hat, and feet,  
You dropped a bomb on me!  
I didn't, even see!  
Like a falling piano,

From out of a window!  
Now I'm just a hat,  
And feet, I'm just a hat and feet,  
I'm just a sitting duck,

That ran out of luck,  
I'm the unhappy guy,  
That didn't look up high,  
I started running,

When I saw it coming, but  
It got faster and louder til,  
I took a power, now  
I'm just a hat and feet,

That's what's become of me,  
Flat on the sidewalk, stuck to the street,  
Now I'm just a hat and feet,  
I'm just a hat, and feet...

I'm just a sitting duck,  
That ran out of luck,  
I'm the unhappy guy,  
That didn't look up high,

I started running,  
When I saw it coming,  
It got faster and louder til,  
I took a power, now

I'm just a hat and feet,  
That's all that's left of me,  
A spot on the sidewalk, a mark on the street,  
I'm just a hat, and feet,

I'm just a hat, and...
