Just for you

Masterboy

And I live for tonight
Give my best while the light's
Keeping on to shine on me
Just for you, just for you
And I live for tonight
For this show here tonight
Just as long as you believe in me
Just for you, just for youThis song is dedicated
To all you people out there
Who are standing by my side tonight
And for the last seven years
You gave me hope, belief and your love
And for all that I'll never forget you
As I walk on stage tonight
I will try to make it right
And I feel my heart beats strong and fast
It's funny, but I still get nervous
After all this time
I travelled the world, sunshine and rain
I've seen a million faces and places
But each one has a place in my heartEverybody stand by me, living in a fantasy
I want to make you feel good at last
