

Drink To Get Drunk (differentGear Mix)

[Sia](#)

I eat food to satisfy my hunger
I drink water to quench my thirst
I use my mouth and air to blow balloon up
I prick with pin to watch it burst
To make noise I use my breathe
To unlock doors I use a key
When I'm looking for something I use my eyes
I use booze to unlock me I sweep so I can sleep
I sweep so I can sleep Sweep sweep sweep sweep sweep I wear shoes so I can run
As to avoid the broken glass
I wear the pants because they suit me
And to discourage the pinchin' of ass
I'll tell a joke to make you laugh
I'll close the door to have a cry
They say that change and pain is a positive thing
Have I changed since you died I sweep so I can sleep
I sweep so I can sleep Sweep sweep sweep sweep sweep Don't ask me why I smoke
I don't know
But I drink to get drunk Don't ask me why I smoke
I don't know
But I drink to get drunk Don't ask me why I smoke
I don't know
But I drink to get drunk Don't ask me why I smoke
I don't know
But I drink to get drunk
