magic power

The Paley Brothers

Somethin's at the edge of your mind
You don't know what it is
Somethin' you were hopin' to find
Your not sure what it isThen you hear the music
And it all comes crystal clear
The music does the talkin'
Says the things you want to hearI'm young, I'm wild
And I'm free
I got the magic power
Of the music in meI'm young, I'm wild
And I'm free
I got the magic power
Of the music in meShe climbs into bed, she pulls the covers overhead
And she turns her little radio on
She's had a rotten day so she hopes
The D J's gonna play her favorite songIt makes her feel much better
Brings her closer to her dreams
A little magic power
Makes it better that it seemsShe's young now, she's wild now
She wants to be free
She gets the magic power
Of the music from meShe's young now, she's wild now
She wants to be free
She gets the magic power
Of the music from meIf you're thinkin' it over
But you just can't sort it out
Do you want someone to tell you
What they think it's all about?Are you the one and only who's sad and lonely
You're reachin' for the top
Well the music keeps you goin'
And it's never gonna stopIt's never gonna stop
It's never gonna, never gonna
Never gonna, never gonna
Never gonna stopThe world is full of compromise
The infinite red tape
But the music's got the magic
It's your one chance for escapeSo turn me on, turn me up
It's your turn to dream
A little magic power

Makes it better than it seemsI'm young now, I'm wild now
I want to be free
I got the magic power
Of the music in meI'm young now, I'm wild
And I'm free
I got the magic power
Of the music, I got the music in meI got the power, I got the magic
She's got the power, she's got the magic
She's got the power, she's got the magic
She's got the power, she's got the magic
