He Loves and She Loves

Sarah Vaughan

Now that I have found you
I must hang around you
'Tho you may refuse
You will never lose meIf the human race is
Full of happy faces
It's because they all love
That wonderous thing, they call loveHe loves and she loves
And they love
So why can't you love
And I love too?Birds love and bees love
And whispering trees love
And that's what we both should do
