

# Expiration Date

## Pansy Division

Hope springs eternal  
But boys spring infernal  
Had high hopes  
It lasted just a couple of gropes  
Scraps and crumbs  
Are all that's been on my plate  
My box of condoms  
Is past it's expiration date  
Macho men and catty queens  
And precious little inbetween  
Cute guy I got to meet  
Another drug tragedy  
I'm a reliable guy  
In a city of flakes  
My box of condoms  
Is past it's expiratios date  
Trying to find my own niche  
Accomplishing nearly zilch  
Do I give in and condom?  
Suck up to the norm?  
I can't relate  
This box of condoms  
Is past it's expiration date
