Just Like That

Kiley Dean

I used to believe
I could have any man I want
But these days it seems
Like all the good men are gone
Everywhere I turn
There's someone new
Trying to game me
That ain't what I need
I wish I had somebody to
To kiss me like that
(I wish I had him to)
To miss me like that
(I wish I had someone to)
To hug me like that
(Oh, I wish I had him to)
To love me like that
So you say you don't know
If he's quite what you need
You wish you could
Live the single life just like me
But he's a good man
At least from what I can see
Believe me this life is
Not at all what it seems
I wish I could be in your shoes
I would never hate like you
I don't understand why you do
I just wish I had someone to
To kiss me like that
(I wish I had him to)
To miss me like that
(Oh, I wish I had him to)
To hug me like that
(I wish I had him to)
To love me like that
(I wish to)
To kiss me like that
(Oh, I wish)
To miss me like that

(I wish I had someone to)
To hug me like that
(And I wish I had someone to)
To love me like that
Sit through Monday night football
Make him quit bugging with phone calls
And anything to be at all like you
Don't need to lie to me girlfriend
You got a cool relationship
Somebody down for you
Don't trip, it's true
I just wish I had somebody to
To kiss me like that
(And I wish)
To miss me like that
(I just want him to)
To hug me like that
(And I wish they would love me)
To love me like that
(I just wish somebody would miss me)
To kiss me like that
To miss me like that
(And I want him to hug me)
To hug me like that
(Maybe to)
To love me like that
(Oh how I wish they would)
To kiss me like that
(JustÃ¢?Â¦)
To miss me like that
(And I want him to hug me)
To hug me like that
(And I want him to love me)
To love me like that
(Oh, I)
To kiss me like that
(Oh, I)
To miss me like that
(OhÃ¢?Â¦)
To hug me like that
(Oh, to kiss, to love, to miss, to hug)
To love me like that
