

# Come to Me (Re-Recorded)

France Joli

Ooh!!!! Come to me  
When you're all alone and feeling down  
Come to me  
When there's nobody else around  
Come to me I'm still waiting,opened armed for you  
Come to me  
Cause I will comfort you  
When you've no one to turn to  
Well I'll be here just for you  
Come to me  
When your world is empty and cold  
Come to me  
When you need someone you want to hold  
Come to me  
In my arms I will keep you safe and warm  
Come to me I will shelter you from the storm  
I'm not one to pretend  
Why can't you understand  
That I love you  
And I love you  
And I need you  
And I want you  
And I love you  
And I love you  
And I need you  
And I want you  
Come to me  
Oh baby I'm a lonely man  
But if only I could learn to cry  
Maybe then  
The pain inside me would subside  
Come to me  
And I will comfort you  
Show you what love can do  
I'm a lonely man  
Living in a world of dreams  
I've got everything  
But the one thing that I really need  
Come to me I'll give you all the love you need

Cause I have love just for you  
Come to me  
When your world is empty and cold  
Come to me  
When you need someone you want to hold  
Come to me  
In my arms I will keep you safe and warm  
Come to me I will shelter you from the storm  
I'm not one to pretend  
Why can't you understand  
That I love you  
And I love you  
And I need you  
And I want you  
And I love you  
And I love you  
And I need you  
And I want you  
Come to me I love you  
Love you  
Love you  
Need you  
Want you  
Oh baby I love you  
Oh baby I need you  
Oh baby I love you  
Oh baby I need you  
Oh baby I love you  
Oh baby I need you  
Oh baby I love you  
Oh baby I need you  
Come to me I love you  
And I love you  
And I need you  
And I want you  
And I love you  
And I love you  
And I need you  
Come to me[Repeat to fade]
