

# Break of Dawn (feat. Busta Rhymes)

Jay Sean

You got me in a randi khana zone with honey.  
This  
It's gon be one hell of a night I'm in my car  
I'm in my car  
She said she meet me at the bar  
She at the bar  
The VIP is popping off  
We fucking star YMCMB Girl you know that  
When we do it  
Girl you know  
We do it right We running from the A.M to the A.M  
Threating everyday like the weekend  
And we gon rock it out-No sleepin  
Tell ya friends, tell ya friends And we ain't goin hone till the early morn  
We'll be going on till the break of dawn  
No we ain't goin hone till the early morn  
We'll be going on till the break of dawn Until the break of dawn  
Uh Uh On  
On Uh Uh On  
Untuil-Until the break of dawn  
Uh Uh On  
On Uh Uh On Look!  
Put it on me shawty  
While we keep them glasses up  
Yes we in the party  
Put that molly keep the ashes up  
She could hardly walk  
With a donkey ass  
Pass another cup  
We could hardly talk  
When I watch her past  
And I ain't even drunk  
Play and catch up  
Then I snatch her up and skin it on  
And try ta pull it out  
Right on the couch  
Without no type of warning  
Shawty keep it easy  
Baby girl let's keep the liquour pouring

Pace it and be patient  
We gon turn it up until the morningWe running from the A.M to the A.M  
Threating everyday like the weekend  
And we gon rock it out-No sleepin  
Tell ya friends, tell ya friendsAnd we ain't goin hone till the early morn  
We'll be going on till the break of dawn  
No we ain't goin hone till the early morn  
We'll be going on till the break of dawnUntil the break of dawn  
Uh Uh On  
On Uh Uh On  
Untuil-Until the break of dawn  
Uh Uh On  
On Uh Uh OnYou know we only got one lifetime  
And I am making the most of mine  
I am living a good life  
I am having a good time  
I am looking to go-OhAnd we ain't goin hone till the early morn  
We'll be going on till the break of dawn  
No we ain't goin hone till the early morn  
We'll be going on till the break of dawnUntil the break of dawn  
Uh Uh On  
On Uh Uh On  
Untuil-Until the break of dawn  
Uh Uh On  
On Uh Uh On  
Until the break of dawn
