Lay your booty all down in this bed

Baby I'mma take a flick, a flick, a flick!

Shawty I'mma take a flick, a flick

Show your body all around in this bed, girl Alone now, kissing and hugging,

I've been missing your loving, girl

I'm home now

And it's been keeping me going

Is the flicks you've been showing in

I'm sorry I'm...

I'm ... your body up close

So take of me lady

show these other girls that they can fuck with my baby

Pre-So baby pose, switch, pose

Take another picture, another picture

I'm at your face, ties, hips, ass in the picture, in the picture! Let me Instagram your body, Instagram your body

Lay your booty all down in this bed

Baby I'mma take a flick, a flick, a flick!

Shawty I'mma take a flick, a flick I've never seen a picture on my phone come out like this

I took a lot of photographs but none quite like this

I know you work out, girl, but damn, like this?

God knew what he was doing when he created this

Cause I put the camera girl, do what I say

I guarantee that you make the popular...

Feeling so good, I put my heart on your pic

And add a comment saying... Pre-So baby pose, switch, pose

Take another picture, another picture

I'm at your face, ties, hips, ass in the picture, in the picture!
