

Noise And Kisses

The Used

Look in my eyes
I'm jaded now whatever that means
By sharing these things
I rip my heart out
It's worth my time
Whatever that means soHard to see up
My neck feels stiff until I wake up
The orange I choked
And back to my neck
It's worth my time
Whatever that means soShare with me
'Cause I need it right now
Let me see your insides
Or write me off
'Cause I'd rather starve now
If you won't open upGive it to me
Give me all
Whatever you want
It's never been me
To want this much from you
I can seeShare with me
'Cause I need it right now
Let me see your insides
Or write me off
'Cause I'd rather starve now
If you won't open up
You won't open upTears me up
Tears me up
Tears me up
Tears me upLook in my eyes
I'm jaded now whatever that means
By sharing these things
I rip my heart out
It's worth my time
Whatever that means soShare with me
'Cause I need it right now
Let me see your insides
Or write me off
'Cause I'd rather starve now

If you won't open up
Won't open up Share with me
'Cause I need it right now
Let me see your insides
Or write me off
'Cause I'd rather starve now
If you won't open up
You won't open up
