

One Night Stand (feat. Keon Bryce)

Lloyd Banks

I'm one night standing
My joy ride has just begun
Girl, I'm the one that can get the job done
And not fall victim to the hit and run I'm one night standing
No breakfast in bed today
Soon as day break I'll be on my way
MIA back to JFK Shorty damn near mine without the whip and chain
Bet if I don't get the pussy, I'm a get the brain
Whether she knows or don't know what the Scriptures saying
I'm a player with a league pass, ma I get the games Whether I hit her don't hit she won't forget the name
Lloyd Banks you know the yellow nigga with the change
A frozen hand on the metal when I whip the Range
I'm sitting sideways, dazed and switching lanes There's a 60-inch plasma in the master room
We can sleep the whole morning and fuck the way to afternoon
I had a way with words since I had a half a moon
And I'm touring the world all winter, I'll be back in June You ain't got to handle a mop, or push back a broom
There's maids for that, this where the paper with the papers at
Scars are a part of my story I can't take it back
Maybe that's why I look at shit like that I'm one night standing
My joy ride has just begun
Girl, I'm the one that can get the job done
And not fall victim to the hit and run I'm one night standing
No breakfast in bed today
Soon as day breaks I'll be on my way
MIA back to JFK And it's the same thing around the way
Just a lot more drama, you have to swing around the K
I never got the ones I wanted just the ones that wanted me
Look at her, she got the vapors 'cause I'm on TV Looking' like a million dollars in that blue G T
And my Reese and my blue EV's, bitch please
I have you feeling like you hit the jackpot
'Cause my back shots, equivalent to crack rock I have you hooked off, dick prank calling your shit
Going back and forth with your friends paintallin' my whip
Besides I done gave you the sign, you just wouldn't read it
Now you feeling like Keyshia Cole and 'You Should've Cheated' So hoe, I pay it to never mind
Mind on my money, money keep shit together
I'm probably going where you drove and looking
Listening to the radio and half way out of Brooklyn, good looking I'm one night standing
My joy ride has just begun
Girl, I'm the one that can get the job done

And not fall victim to the hit and run I'm one night standing
No breakfast in bed today
Soon as day breaks I'll be on my way
MIA back to JFK I'm one night standing
I've got to leave you girl
I'm one night standing
I've got to leave you girl
I'm one night standing
Wish I could stay but I got to play
