

Look At You Girl

Chris LeDoux

Just look at you, girl
Standin' here beside me
Starlight on your hair
Lookin' like a dream
I dreamed somewhere And look at me, girl
You got me actin' just like a lover
In an old time picture show
And how I got the part
I just don't know But it's written
All across your face
Plain as it can be
You're the one
That I was lookin' for
Now you're all
That I can see And you mean everythin' to me
And I'd do anythin'
To have you stay forever
I'm an ordinary man
But I feel like I could do
Anythin' in the world
When I look at you, girl Just look at you, girl
Walkin' here beside me
In misty mornin' light
I see my own reflection
In your eyes And you smile at me, girl
With eyes that tell a story
That words can never say
Tellin' me your love
Is gonna stay And we're standin'
Right together now
In everythin' we do
And if my world
Should come apart
I'll still be lovin' you 'Cause you mean everythin' to me
And I'd do anythin'
To have you stay forever
I'm an ordinary man
But I feel like I could do
Anythin' in the world

When I look at you, girl
