Come On (Part III)

Stevie Ray Vaughan

People talkin' but they just don't know
What's in my heart and why I love you so
I love you baby like a miner loves gold
Come on baby, let the good times rollLet the good times roll, come on it soothes my soul
Oh, let the good times roll, come on, come on, come onA lot of people live in make-believe
They keep a lot of dirt up their sleeve
My love, baby ain't the kind to fold
Come one baby, let the good times rollLet the good times roll, come on and let it roll
Ah yeah, let it roll, come on, let it rollOur lovin's nice if it's understood
It's even nicer when you feel so good
You got me flippin' like a flag on a pole
Come on sugar, let the good times rollOh, let the good times roll, come on let it roll, come on, come on
Come on, come on, let it roll
