

Nowadays a Woman's Gotta Hit a Man

Captain Beefheart

Men you been lookin' all around for the women
But they always been right there
Nowadays a woman has to haul off and hit a man
T' make him know she's there
Other night a woman came up 'n hit me
Like I wasn't even there
Yeah, mmm dawned on me, man
That a man been doin' a woman unfair Y' gotta wait for your woman
Let her know you're there
I knew I had to go out 'n tell all of the women
That I knew they were there
Now ev'rywhere I go the women all know that I know
Mmm, there ain't no other place to go but there
I'm talkin' about women
Yeah, I'm talkin' about women, man
They don't have to hit me
To make me know it's there
None o' my women have tears in their eyes
You can ask 'em about me I swear
'n they'll tell you
That's one man I swear
Yeah that's a man
'nuff about tellin' you this Mmm, y' gotta wait for your woman Let her know you're there
I knew I had to go out 'n tell all of the women
That I knew they were there
Now ev'rywhere I go the women all know That I know There ain't no, there ain't no other place to go but
there I'm talkin' about women
They don't have to hit me, man To make me know it's there
None o' my women have tears in their eyes
You can ask 'em about me I swear
