

Eyesight to the Blind

Pete Townshend

Talk about your woman
I wish you could see mine
You talk about your woman
I wish you could see mine
Every time she starts to lovin'
She brings eyesight to the blind You know her daddy gave her magic
I can tell by the way she walks
You know her daddy gave her magic
I can tell by the way she walks
Every time she starts shakin'
The dumb begin to talk She's got the power to heal you
Never fear
She's got the power to heal you
Never fear
Every time she start to wiggle
The deaf begin to hear Talk about your woman
I wish you could see mine
I wish you could see her
You talk about your woman
I wish you could see mine
Every time she starts to shaking
She brings eyesight to the blind
