

I Don't (feat. Remy Ma & YG)

Mariah Carey

Ladies & Gentlemen! I know you love me
You just don't trust me
You don't understand me
But you love it when I call you Ms. Carey
I know you love me
You just don't trust me
You need to understand me
But you love it when I call you Ms. Carey, yeah
Somewhere in another life
We stole a moment in time
Gave you everything that you needed
I was even down to repeat it
Said you would always be mine
Feeding me nothing but lies
I was so gone, I admit it
Happy messed up for a minute But I'm tired of cryin', no more tears
Pity party of the year
Cold at night cause you're not here
Leaving you was my worst fear
I was caught up, I was... blind
You kept playin' with my... mind
Told you I'm finished, gassed up the whip and...
Rear view, bye
'Cause when you love someone
You just don't treat them bad
You messed up all we had
Probably think I'm coming back
But I don't, I don't
'Cause boy I was buggin'
Thinkin' somehow I could trust you
See, I used to love you
But I don't, I don't
'Cause boy I was buggin'
Thinkin' somehow I could trust you
But you don't mean nothing
'Cause I don't, I don't I tried to make it work
No matter how much it hurt
You had to make it all about you
Tell me why you go and do me like you do?

I went from me and you
To walking right out on you
I know you want love, in your feelings
Frontin' on me like your love was the realest And I'm tired of cryin', no more tears
Pity party of the year
Cold at night cause you're not here
Leaving you was my worst fear
I was caught up, I was... blind
You kept playin' with my... mind
Told you I'm finished, gassed up the whip and...
Rear view, bye'Cause when you love someone
You just don't treat them bad
You messed up all we had
Probably think I'm coming back
But I don't, I don't
'Cause boy I was buggin'
Thinkin' somehow I could trust you
See, I used to love you
But I don't, I don't
'Cause boy I was buggin'
Thinkin' somehow I could trust you
But you don't mean nothing
'Cause I don't, I don't I know you love me
You just don't trust me
You don't understand me
But you love it when I call you Ms. Carey
I know you love me
You just don't trust me
You need to understand me
But you love it when I call you Ms. Carey, yeah Hold up, hold up, hold up, hold up
Hold up, I just got you ring, for what?
I put you in the game, now it's game over
Every time you went to the Louis store you got chauffeured
Hold up, how you gon' leave that?
Hold up, give me my ring back
Never mind, you can keep that
'Cause every time you look at your ring, me, you gon' dream that I know you love me
You just don't trust me
You don't understand me
But you love it when I call you Ms. Carey
I know you love me
You just don't trust me
You need to understand me
But you love it when I call you Ms. Carey, yeah 'Cause when you love someone
You just don't treat them bad

You messed up all we had
Probably think I'm coming back
But I don't, I don't
'Cause boy I was buggin'
Thinkin' somehow I could trust you
See, I used to love you
But I don't, I don't
'Cause boy I was buggin'
Thinkin' somehow I could trust you
But you don't mean nothing
'Cause I don't, I don't
