Feeling Inside

Alex John

Lost in space, I feel alone
Tired of trying, just to be home

All thatâ€™s left, Inside my mind
All that I am, Iâ€™m feeling inside
All thatâ€™s left, Inside my mind
All that I am, Iâ€™m feeling inside

Iâ€™m feeling inside
Iâ€™m feeling inside
Iâ€™m feeling inside (I donâ€™t know how long id fall)
Iâ€™m feeling inside (I wont stay if you wont call)

To a place, Iâ€™m on my own
Growing pains, like carrying stones

All thatâ€™s left, Inside my mind
All that I am, Iâ€™m feeling inside
All thatâ€™s left, Inside my mind
All that I am, Iâ€™m feeling inside

Iâ€™m feeling inside
Iâ€™m feeling inside
Iâ€™m feeling inside (I donâ€™t know how long id fall)
Iâ€™m feeling inside (I wont stay if you wont call)

Carry on, Carry on
Donâ€™t let go, donâ€™t let it show

All thatâ€™s left, Inside my mind
All thatâ€™s left, Inside my mind
All thatâ€™s left, Inside my mind
All thatâ€™s left, Inside my mind

I donâ€™t know how long id fall (Iâ€™m feeling inside)
I wont stay if you wont call (Iâ€™m feeling inside)
Iâ€™m feeling inside
