

# You Are the One

## HIM

No, I won't surrender  
At any cost  
You're something so sweet  
And tender from my heart  
Yes, I've done my evil  
I've done my good  
Just believe me, honey  
I won't let go of you  
You are the one  
And there's no regrets at all  
You are the one  
And there's no regrets at all  
We've had our share of misfortune  
We've had our blues  
And God is not on our side  
Yes, it's true  
Well, we keep forgetting, baby  
The others too  
There is no one who can take  
That away from me and you  
You are the one  
And there's no regrets at all  
You are the one  
And there's no regrets at all  
You are the one  
And there's no regrets at all  
You are the one  
And there's no regrets at all
