

# As Long as I Live (Remastered)

**Diana Krall**

Baby, I can't live to love you  
As long as I want to  
Life isn't long enough, baby  
But I can love you as long as I live  
Baby, I can't buy diamonds and things  
Like I want to  
But I can promise you, baby  
I'm going to want you as long as I live  
Well, I never cared but now I'm scared  
That I won't live long enough  
That's why I wear my rubbers when it rains  
And eat an apple everyday and see the doctor anyway  
What if I can't live to love you  
As long as I want to  
Life isn't long enough, baby  
But I can love you as long as I live
