You Are

Atomic Kitten

Maybe you think you're not right for me
That you'll never be everything I need
Well, I'll tell you straight from my heart you are, you are
If you don't think that you've got the pedigree
That you're not someone who can talk to me
Well, I'll tell you straight from my heart you are, you are
You are, you are my reason
You are the air I'm breathing
Ask who's in my heart
You are, you are
If ever I wanted to run away
I'd go only if you would come with me
'Cause no one can talk to my heart like you are, you are
If I do for you what you do for me
If I'm on your mind every time in your sleep
Say the words and no matter how far I'll be where you are
You are, you are my reason
You are the air I'm breathing
Ask who's in my heart
You are, you are
Ooh, I wish you'd ask me how I feel
Ooh, and when you're near to me
Ooh, you're my addiction, boy
I'd say that you're in my heart, you're in my heart
You are, you are my reason
You are the air I'm breathing
Ask who's in my heart
You are, you are
Maybe you think you're not right for me
That you'll never be everything I need
Well, I'll tell you straight from my heart you are, you are
If you don't think that you've got the pedigree
That you're not someone who can talk to me
Well, I'll tell you straight from my heart you are, you are
Maybe you think you're not right for me
That you'll never be everything I need
Well, I'll tell you straight from my heart you are, you are
