

# I Can Only Imagine (feat. Chris Brown & Lil Wayne)

## David Guetta

Where you been?  
Where you been all my life?  
It's a sin  
The way you look in that light  
It's obvious  
That I want something from you  
You know what  
What I want to do, do, do...

If we touched, it would bring me to life  
I can only imagine, only imagine what it'd be like  
Oh, everytime, it would bring me to life  
I can only imagine, only imagine what it'd be like  
What it'd be like, what it'd be like  
Like, like, like  
What it'd be like  
Like, like, like...

Saw you from afar  
Thought I'd say "what's up"  
You can tell me your name when we're waking up  
They call me Tunechi, I'm good, I'm Gucci  
Now you can kiss old dude goodbye, smooches  
You're a piece, you're a beauty  
Man, I think somebody done gave cupid an uzi, shoot me  
You're a firework, brighter in the dark  
So let's turn off the lights  
And give me that spark...

If we touched, it would bring me to life  
I can only imagine, only imagine what it'd be like  
Oh, everytime, it would bring me to life  
I can only imagine, only imagine what it'd be like  
What it'd be like, what it'd be like  
Like, like, like  
What it'd be like  
Like, like, like...

I want to let her touch me  
Want her to feel free (You bring me to life)

I want to feel free  
So I can finally breathe (if you kiss me)  
So I can finally be (yeah)  
So I can finally see (kiss me now)  
So I can finally see what, what, what...

Saw you from afar  
Thought I'd say "what's up"  
You can tell me your name when we're waking up  
They call me Tunechi, I'm good, I'm Gucci  
Now you can kiss old dude goodbye, smooches  
You're a piece, you're a beauty  
Man, I think somebody done gave cupid an uzi, shoot me  
You're a firework, brighter in the dark  
So let's turn off the lights  
And give me that spark...

What it'd be like...
