

Another Day

Carousel

Did you know that I have never felt this way before
I can tell that your quiet but you feel it too
Could I tell you that I never had a real girlfriend before I'd be surprised if you said that I could have that too You
know your touch
Oh you got me feeling
You're starting to break me you're on your way
Oh you got me feeling I wanna stay I wanna stay Another day Did you know that I could be everything you
want and more Just tell me what it is about you adore Dont act like this cant get you through Youll be surprised
that I already adore you too You know your touch Oh you got me feeling it Your starting to break me youre on
your way Oh you got me feeling I wanna stay I wanna stay Another day You know your touch Oh you got me
feeling it Your starting to break me youre on your way Oh you got me feeling I wanna stay I wanna stay
Another day You know your touch Oh you got me feeling it Your starting to break me youre on your way Oh
you got me feeling I wanna stay I wanna stay Another day
