## Parov Stelar

This is from  
This is from  
This is from Matilda Just like Johnny Flynn said, 'the breath I've taken and the one I must' to go on  
Put the grenade pin in your hand, so you understand who's boss  
My defeat sleeps top to toe with her success Oh this is from  
This is from  
This is from Matilda And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda Just like Johnny Flynn said, 'the breath I've taken and the one I must' to go on  
Put the grenade pin in your hand, so you understand who's boss  
My defeat sleeps top to toe with her success Oh this is from  
This is from  
This is from Matilda And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda  
And love is wonder twice  
And And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda  
And she needs you  
This is for Matilda This is for Matilda  
This is from Matilda  
Matilda
