Kingston

Yeah man

Kingston

Count up[Hook: Sean Kingston]

I've been grindin' bustin' money, juugs round the city, ah yeah  
Can't stand these fake niggas, please get 'em from round me, ah yeah

All I ever needed was my squad and a bad bitch

All I ever wanted was a foreign and a mansion

[Verse 1: Sean Kingston]

All I ever wanted was a chick that stayed down now  
Smokin' on this kush got me high off in the clouds now

Woah now, I'm so up, can't come down

Movin' too fast, baby slow down

Started from the trap, now we here now

And we here now

Badman, badman, so we go flex

Pussy while I talk, boy we no check

Got a kilo diamond chain around me neck

(?) when I see them

Make them shawty like the deep end

(?) weekend[Hook: Sean Kingston]

I've been grindin' bustin' money, juugs round the city, ah yeah  
Can't stand these fake niggas, please get 'em from round me, ah yeah

All I ever needed was my squad and a bad bitch

All I ever wanted was a foreign and a mansion

I've been grindin' bustin' money, juugs round the city, ah yeah  
Can't stand these fake niggas, please get 'em from round me, ah yeah

All I ever needed was my squad and a bad bitch

All I ever wanted was a foreign and a mansion[Verse 2: Chief Keef]

She ain't tryna fuck till the bitch get up out it

Look in my pantses

Tryna find the racks but it's oh-so crowded

You could be my tenant

I could be the land lord, how you wanna go about it?

You could be lieutenant

I'ma flip the (?) do you wanna blow about it?  
Pulled up while goin'  
She like "Chief Sosa, I'm surprised you got the top on"  
And I got my Glock on  
But it's got a stock clip on, put the mop on  
Frog nigga hop on  
Pulled up bling-blinging, thought I was a Hot Boy  
Bought 50 Trap Lords  
I he from Chicago but we just not goin'
