Elected

Alice Cooper

I'm top prime cut of meat, I'm your choice
I wanna be elected
I'm Yankee doodle dandy in a gold Rolls Royce
I wanna be elected
Kids want a savior, don't need a fake

I wanna be elected

We're all gonna rock to the rules that I make

I wanna be elected, elected, elected, selectedI never lied to you, I've always been cool

I wanna be elected

I gotta get the vote, and I told you 'bout school

I wanna be elected, elected, elected

Hallelujah, I wanna be selected

Everyone in the United States of AmericaWe're gonna win this one, take the country by storm

We're gonna be elected

You and me together, young and strong

We're gonna be elected, elected, elected

Respected, selected, call collected

I wanna be elected, electedAnd if I am elected

I promise the formation of a new party

A third party, the wild party

I know we have problems

We got problems right here in central city

We have problems on the north, south, east and west

New York city, Saint Louis, Philadelphia, Los Angeles

Detroit, Chicago, everybody has problems

And personally I don't care
