# Limbo Dance

## David Hasselhoff

Let's go on a holyday
Let's go to Jamaica
Flyin' to Mantigo Bay
Let's go to Jamaica
Maybe find to hide away
Let's go to Jamaica
We can limbo on the sand
To a steel drop-bandLimbo good
Limbo fine
Everybody gets a chanceC'mon and move your body downDo the limbo dance
Limbo good
Limbo fine
Everybody gets a chance
clap your hand it's party timeDo the limbo danceYou will hear the limbo song
When you're in Jamaica
You'll be dancing all night long
When you're in jamaica
we can party on and on
When you're in jamaica
Whe can limbo on the sand
To a steel drop-bandLimbo good
Limbo fine
Everybody gets a chanceC'mon and move your body downDo the limbo dance
Limbo good
Limbo fine
Everybody gets a chance
clap your hand it's party timeDo the limbo danceFantasies can all come true
Let's stay in Jamaica
Gone in sunshine of youLet's stay in Jamaica
Sleepin' under skies of you
Let's stay in Jamaica
We can limbo on the sandTo a steel drop-band.Limbo good
Limbo fine
Everybody gets a chanceC'mon and move your body downDo the limbo dance
Limbo good
Limbo fine
Everybody gets a chance
clap your hand it's party timeDo the limbo dance
