

Pale Saint

Ballet School

Who am I?
Time will tell
Careless girl
You never saw me coming I see you
Know your name
Beautiful
But baby you were sleeping I feel it, I feel it, I feel it
More than you
What can I say?
Give me the grace
To fly away I need it, I need it, I need it
More than you
Yeah I took your belt
Don't steal my fire
I'll fly away So you and I
Are not the same
I've seen the things
You wanna fake And I don't know why
I'm still standing
I just need to survive Don't take a mirror in exchange for gold
A thousand young dreams bought and sold
You know better than that, you know better than that
You fly away Don't take a mirror in exchange for gold
A thousand young dreams bought and sold
You know better than that, you know better than that
You fly away I feel it, I feel it, I feel it
More than you
What can I say?
You need a place
To fly away Yeah I took your gown
Don't steal my fire
I'll fly away
