High Cost Of Loving

BBM

The price is gettin' higher every, day
When it comes to good loving, it's the same old way
The high cost of love, gettin' higher every day
The less I get the more I have to payI came home with the groceries, you said, you need some more
I gave you my last two dollars, you said, you need 3 or 4
The high cost of love, gettin' higher every day
Seems like the less I get, the more I have to payI bought you a leather coat, you said, you wanted a mink
The way you spend my money, you think, you're married to a bank
The high cost of love, gettin' higher every day
Seems like the less I make, the more I have to payWhere I live they want to raise my rent
Before I make a dollar, you know it's, it's already spent
The high cost of love, gettin' higher every day
Seems like the less I get, the more I have to paySeems like the less I get, the more I have to pay
Seems like the less I get, the more I have to pay
