

You're Still The One (With Alison Krauss)

[Shania Twain](#)

When I first saw you, I saw love
And the first time you touched me, I felt love
And after all this time
You're still the one I love Looks like we made it
Look how far we've come my baby
We mighta took the long way
We knew we'd get there someday They said, I bet they'll never make it
But just look at us holding on
We're still together still going strong (You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night Ain't nothin' better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missin' They said, I bet they'll never make it
But just look at us holding on
We're still together still going strong (You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night You're still the one (You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night I'm so glad we made it
Look how far we've come my baby
