What Rules My Heart

Triumph

I hate to say the feelin's gone
But I just can't keep holding on
I hope that's somethin' your heart will allow
I didn't mean to do it
I should have known from the start
I just couldn't put you through it
Sometimes I just don't knowCHORUS:
What rules my heart
What rules my heart
What rules my heart
What rules my heartMistreating you was such a crime
I know the hurt will heal in time
But that's a small consolation right now
I didn't mean to do it
I should have known from the very start
I just couldn't put you through it
Sometimes I just don't knowCHORUS
