Hole

When I went to school
When I went to schoolWhen I went to school in Olympia
Well everyone's the same
What do you do with a revolution?
When I went to school in Olympia
And everyone's the same
We look the same
We talk the sameWell, don't you please make me real fuck you
Make me sick, fuck you
Make me real, fuck youWhen I went to school in Olympia
Everyone's the same
And so are you, in Olympia
Everyone's the same
We look the same
We talk the same
We even fuck the same
When I went to school in OlympiaDon't you please make me real, come on
Make me sick, come on
Make me real, yeah yeah yeahDo it for the kids
Do it for the kids
Do it for the kids
Do it for the kids
Do it, do it, do it, do it
Do it for the kidsWhen I went to school in Olympia
Goodbye, goodbye
