

Hey hey hey

Wicus Van Der Merwe

Lately I've been livin'
 Feelin' unforgiven
 Feels like I've been gettin'
 Anythin' and everythin' wrong
Well, I've always had my trouble
 Lately, it's been double
 Somethin' busts my bubble
 Keeps me barely floatin' along
 But those days are behind me
 You ain't gonna find me
Sittin' 'round, countin' raindrops
 Hey, hey, hey
 The sun is shining on my face
 And everythin' will be okay
It's a fact, yeah, I made it back
 And this time I'm here to stay
 Hey, hey, hey
 Now the clouds have parted
 Let's get the party started
 Call up the broken hearted
 Tell 'em that I'm back in town
I'm buyin' the whole place around
 Bad days behind me
 My baby beside me
I feel my luck starting to change
 Hey, hey, hey
 The sun is shining on my face
 And everythin' will be okay
It's a fact, yeah, I made it back
 And this time I'm here to stay
 Hey, hey, hey
 The sun is shining on my face
 Bad days behind me
 My baby beside me
I feel my luck starting to change
 Hey, hey, hey
 Hey, hey, hey
 Hey, hey, hey
 Hey, hey, hey, yeah

Hey, hey, hey
The sun is shining on my face
And everythin' will be okay
It's a fact, yeah, I made it back
And this time I'm here to stay

Hey, hey, hey
The sun is shining on my face
And everythin' will be okay
It's a fact, yeah, I made it back
And this time I'm here to stay

Hey, hey, hey
Hey, hey, yeah
Hey, hey, hey
