England

The National

Someone send a runner

Through the weather that I'm under

For the feeling that I lost today

Someone send a runner

For the feeling that I lost todaySomeone send a runner

Through the weather that I'm under

For the feeling that I lost today

Someone send a runner

For the feeling that I lost today You must be somewhere in London

You must be loving your life in the rain

You must be somewhere in London

Walking merrilyI don't even think to make

I don't even think to make

I don't even think to make correctionsFamous angels never come through England

England gets the ones you never need

I'm in a Los Angeles Cathedral

Minor singing airheads sing for meYou put an ocean and a river between everybody else

Between everything, yourself and home

You put an ocean and a river

Between everything, yourself and home You must be somewhere in London

You must be loving your life in the rain

You must be somewhere in London

Walking merrilyI don't even think to make

I don't even think to make

I don't even think to make correctionsFamous angels never come through England

England gets the ones you never need

I'm in a Los Angeles Cathedral

Minor singing airheads sing for meAfraid of the house

Stay the night with the sinners

Afraid of the house

Stay the night with the sinners

Afraid of the house

'Cause they're desperate to entertain Afraid of the house

Stay the night with the sinners

Afraid of the house

Stay the night with the sinners

Afraid of the house

'Cause they're desperate to entertainAfraid of the house

Stay the night with the sinners

Afraid of the house
Stay the night with the sinners
Afraid of the house
'Cause they're desperate to entertainAfraid of the house
Stay the night with the sinners
Afraid of the house
Stay the night with the sinners
Afraid of the house
'Cause they're desperate to entertain
