You Come Through

PJ Harvey

We are waiting
For the summer
The sun will bring back
Treasures for usCome on my friend
Drink to good times
Golden wishes
To your health and mineYou come through
For me
You come true
For meYou be well
For me
You come through
For meI'll be lifted
On this our holiday
I'll take you my friend
I'll take you with meYou come through
For me
You come true
For meYou be well
For me
You come through
For me
