

# Next Time You See Me

## Grateful Dead

Next time you see me, things won't be the same  
Next time you see me, things won't be the same  
If it hurts you my darling, you only got yourself to blame Well, it's a true, true saying, all that shines is not gold  
It's a true, true saying, all that shines is not gold  
Like the good book says, you gotta reap it just what you sow Well, you lied, cheated, woh-oh, for so long  
Well, you lied, cheated, woh-oh, for so long  
You were wrong to do it woman, and another queen is on your throne Well, you lied, cheated, woh-oh, for so  
long  
Well, you lied, cheated, woh-oh, for so long  
You were wrong to do it woman, and another queen is on your throne Next time you see me, things won't be the  
same  
Next time you see me, things won't be by the same  
And if it hurts you my darling, you only got yourself to blame Well, it's true, true saying, all that shines is not  
gold  
Well, it's true, true saying, all that shines is not gold  
Like the good book says, you gotta reap it just what you sow
