

# Sister of Pearl (Samuel Proffitt Remix)

## Baio

Think I might forget it, gonna write it down, down, down  
If you just regret it, don't bring your ass around, 'round, 'round  
It is what it is until it was what it was  
So just keep on swingin', if only because, 'cause, 'cause I can tell by the look, you don't mean what you say  
Like a sentimental crook, it's tough to get away  
If it even would matter, I would play every part  
But I'm too overeager and I just false start Oh, sister of pearl, I wouldn't change you for the world  
Oh, sister of pearl, I wouldn't change you for the world Ooh-ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh-ooh Think I might forget it, gonna write it down, down, down  
If it's copacetic, bring it back around, 'round, 'round  
I'm tired of fighting another man's pointless war  
So please keep up with it just like you have before I can tell by the look, you mean what you say  
Like a sentimental crook, it's tough to get away  
If it even would matter, I would play every part  
But I'm too overeager and I just false start Oh, sister of pearl, I wouldn't change you for the world  
Oh, sister of pearl, I wouldn't change you for the world Ooh-ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh-ooh Ooh-ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh-ooh
