Winter In My Mind

Raghav

Remember how the way we were
The way we used to be, so hot to trot
I thought we could not stop
We would rock constantly, baby
I know the clothes you wear and every car you drive
All the people in your life, that whole vibe, baby
But where I lost my way, I shoulda spent the time
With your soul and in your mind getting it right, baby
And I wish that I had known this before
Instead of opening I closed every door
Shoulda known that I had lost you for sure
Wherever you are now, you must have so much more
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
Now understand
I recognize that I'm a better man 'cause of you, baby
Let me take your hand, oh, I see you want it back
I guess that I'm too late, baby
I know the grass is greener on the other side
Maybe someone's in your life, that's okay by me
Yeah, girl you taught me that there's so much more inside
It's so sad, I've seen the light in some bad time
And I wish that I had known this before
Instead of opening I closed every door
Shoulda known that I had lost you for sure
Wherever you are now, you must have so much more
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah

I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
I know it?s summer where you are
But you left me here alone
Now it's winter in my mind, yeah
