I Didn't Have Any Summer Romance

Simone White

They're always writing songs about a summer love
That never seems to last beyond the fall
But I've a different reason for crying this season
A reason that can hurt you most of all

I didn't have any summer romance
Nobody bothered to break my heart in two
While others were fooled by the sweet words
Someone vowed I was the one who made company a crowd

I didn't walk down the beach in a trance
Or listened to little white lies that sounded true
And no one could be as blue as I was in the fall
'Cause I didn't have any summer romance at all

And no one could be as blue as I was in the fall
'Cause I didn't have any summer romance at all
