

All She Wants Is (45 Mix) [Remastered]

Duran Duran

All she wants is
All she wants is
All she wants isAll she wants is
All she wants is
All she wants isHey, spend your money on the corner, now
You know you've gotta save some for the shoeshine, boy
You've been pulling them by the hand inside
Oh, collecting all your toysIf you need a lead to heaven now
Just stick around, you're gonna be there
What do you care? What do you dare?
What does your heart say, now?All she wants is
All she wants is
All she wants isDivine intervention, couldn't keep
The word from leaking out
With your pleasure in suspension
Not to mention what you hang it aroundIf you need a lead to heaven, yeah
A place to share in every position
What do you care? What do you dare?
What does your heart say, now?All she wants is
All she wants is
All she wants is
More, more, more, guess what?
Yeah, guess what?All she wants is
All she wants is
All she wants is
All she wants isAll she wants is
All she wants is
All she wants is
All she wants isAll she wants is
All she wants is
All she wants is
All she wants is
